Subject: Bus Advertisement Feedback

Dear Council member Pine,

I'm a resident of Kapolei and been a long time bus rider. I support Bus (exterior) advertisements only as a last resort to offset increasing bus fares and ridership monthly fees. However, there should be limitations of what is acceptable advertising, i.e., positive messages & no graphic (zombies) or lewd material/pictures, etc.

I also recommend a earlier Express 94 bus (Kapolei - Downtown/UH) to leave earlier at 5:10am. In addition, the morning zipper lane is much slower than regular lanes due to the two or more passengers allowance. Recommend it change back to the three or more passenger per vehicle requirement.

On a last note, I want to thank you for your leadership and support of the leeward communities. Thank you.

Cary Hosaka
